Section 3: Please provide statements on Conflicts of Interest, Funding/Support, Data Availability, Ethics, and Acknowledgement

Conflicts of Interest:	A detailed definition of conflicts of interest is provided by ICMJE (www.icmje.org/conflicts-of-interest). ALL authors must state any conflicts of interest here or submit an individual ICMJE form. If there are no conflicts of interest, state "All authors have disclosed no conflicts of interest."
Funding/Support:	State any funding source/grants (with grant numbers) or other material support for the study. If appropriate, add: "The funder had no role in study design, data collection/analysis/interpretation or manuscript preparation." or "This research received no specific grant from any funding agency in the public, commercial, or not-for-profit sectors."
Data Availability:	Please provide a statement on data availability. For example: "All data generated or analysed during the present study are available from the corresponding author on reasonable request." OR "All data generated or analysed during the present study are available from: [link to published data]."
Ethics Approval:	Please provide an ethics approval statement with approval/reference number. Please provide a statement confirming that informed consent for the study and publication has been obtained.
Acknowledgement:	All and only individuals who have made substantial contributions but who do not fulfil the authorship criteria should be acknowledged. The Corresponding Author must obtain written permission from all individuals named in the Acknowledgement.

Section 4: Declaration of agreement. *ALL authors MUST sign this declaration.*

By signing this declaration, authors agree to the authorship shown in Section 2, confirm the statements shown in Section 3, and authorise the Corresponding Author to take responsibility for submission of the manuscript and associated activities.

Important information. Please read.

- The *Hong Kong Journal of Radiology* follows the [ICMJE Recommendations](#) for defining authorship. Authors must meet **ALL FOUR** of the following criteria:

- Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND
- Drafting the work or revising it critically for important intellectual content; AND
- Final approval of the version to be published; AND
- Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

ALL and ONLY individuals meeting these requirements should be credited as authors. Individuals who contributed substantially to the study but do not meet these requirements should be acknowledged.

- Please submit this form, fully completed, via the [HKAMedTrack submission system](#).
- Manuscripts cannot be sent for review until a fully completed form is received.
- Please note, we cannot investigate or mediate any authorship disputes. If you are unable to obtain agreement from all authors, you must refer the matter to your institution(s) for investigation. Please inform us if you need to do this.
- Incomplete forms will be rejected.
- The Corresponding Author should complete Sections 1, 2, and 3 of this form, before circulating to all co-authors for their approval and signatures in Section 4.
- The Corresponding Author must also complete and sign Sections 5, 6, and 7 of this form.
